IRUSU® BLOCK
UNBLOCK THE VIRTUAL WORLDS

Irusu Block Assembly Instructions:

**1.** Take a print of this on a A4/A3 Sheet white paper at full size.

2. Paste the printed paper sheet on a thick cardboard with flat surface.

3. After pasting the paper sheet, cut along the given lines carefully.

4. Create a crease at given lines.

**5**. Paste the gum on the gumming area, making sure its not over spilled on the main area.

6. Fold at creases carefully and attach at gumming areas to form a 3D Block.
